

REMARKS

Applicant has carefully reviewed and considered the Notice of Allowance mailed on February 11, 2004. After a review of the specification and drawings, Applicant has amended the specification and drawings to correct errors in certain reference numerals and grammar. Reference numerals were added to or changed in the figures to match those of the text, and certain reference numbers were added to or changed in the text to match those of the Figures. The context of the original drawings and specification support these changes. No new matter is added. No reexamination of the claims is needed.

CONCLUSION

Applicant respectfully submits that the claims are in condition for allowance and notification to that effect is earnestly requested. The Examiner is invited to telephone Applicant's attorney (952-278-3501) to facilitate prosecution of this application.

If necessary, please charge any additional fees or credit overpayment to Deposit Account No. 502931.

Respectfully submitted,

MARK L. JENSON et al.
